## **CTPAT Statement of Support**

Viavi Solutions Inc. (VIAVI) is proud to be certified by U.S. Customs and Border Protection (CBP) as a Tier II CTPAT Importer. This certification recognizes VIAVI's commitment to maintaining the highest level of security for the well-being of our company and the United States. As a member of the CTPAT program since 2006, security continues to be an integral part of the culture and business processes at VIAVI.

CTPAT remains a voluntary public-private sector partnership program where members work with CBP to strengthen their international supply chains and ultimately improve border security, protecting the supply chain from criminal activities such as drug trafficking, terrorism, human smuggling, and illegal contraband.

VIAVI has developed and maintains a multi-layered security program that is consistent with the CTPAT minimum-security criteria (MSC) and remains committed to protecting our organization and supply chain from any illegal or illicit activities. Security is everyone's responsibility at VIAVI. The executive leadership and management at VIAVI fully support the CTPAT program.
