

The Standard Viavi Solutions Three-Year Warranty

Speed the return on your investments

We understand the importance of your test equipment to business results, and that's why we now include a standard, three-year warranty with all Viavi products*.

What does this mean for you?

- Reduced cost of ownership
- Improved responsiveness
- Increased confidence
- Greater convenience
- Improved productivity

Bronze and Silver Options

Extend your warranty and include calibrations with the following options:

Description	Cost	Part Number
Five-year warranty	6% of the product sales price	BRONZE-5
Standard three-year warranty and one calibration	6% of the product sales price	SILVER-3
Five-year warranty and two calibrations	17% of the product sales price	SILVER-5

* Xgig, CleanBlast, and Observer products have one-year standard warranties. 3rd-party products are warranted by their manufacturers and are typically one-year duration.

Standard Features

The standard warranty includes:

- All parts and labor necessary to return an instrument to full performance specifications
- Authorized Viavi repair processes performed by Viavi factory-trained engineers and technicians
- Genuine Viavi parts
- All relevant engineering changes and firmware upgrades
- Thorough performance testing, adjustment, and verification post-repair
