

Express Loaner and Advanced Replacement Services

PLUS Deployment and Support

Accelerating Your Success

Viavi Solutions™ understands the importance of minimizing downtime resulting from unplanned repairs or routine calibrations, especially for mission-critical equipment. The Viavi Express Loaner and Advanced Replacement Services provide you with equivalent loaner equipment during repair or calibration of yours or provides a similarly configured replacement unit. Having replacement or loaner equipment ready when needed helps keep operations teams running efficiently and relieves stress.

These services also eliminate unexpected expenses, simplify the exchange process and logistics, and enable quick and easy repairs and calibrations within set timelines. SLAs let operations teams run efficiently and uninterrupted. Simplified processing eliminates logistical and purchase order hurdles and delays.

- Greatly reduces downtime for repairs and calibrations
- Provides SLAs for delivery times, exchanges, and replacements
- Removes purchase order and logistical hurdles

Express Loaner

Now you can schedule calibrations with no downtime. The Express Loaner service loans you a similarly configured piece of equipment before sending yours in for calibration for that unexpected repair that you need immediately.

Advanced Replacement

Has your equipment failed and now you need a replacement unit fast? The Advanced Replacement service can immediately provide you with a equivalently configured unit when your equipment fails.

These services are available for purchase as stand-alone services or as part of the PLUS Gold Support Plan.

PLUS support plans streamline the repair, calibration, and loaner processes making support costs predictable and cost-effective while greatly alleviating your administrative burden. Viavi support plans provide peace of mind that your hardware investment is well protected ensuring that your equipment will be available, functional, and up to date.

Express Loaner and Advanced Replacement services are part of the Viavi PLUS Services Portfolio. PLUS Services resolve your operational challenges and advance the adoption of new technologies improving your effectiveness and efficiency so you can provide more value to your customers.
