

Viavi Solutions™ Encore Certified Refurbished Equipment

Save on the test equipment you trust

Why buy Encore test equipment?

Confidence — all Encore equipment is certified to meet Viavi factory specifications

Purchase certified refurbished test equipment from the Viavi Encore program with confidence. All Encore equipment provides the quality and benefits of new Viavi products.

Convenience — Encore is your one-stop shop for refurbished test equipment

Many customers who purchase used equipment that is not Viavi Encore need to come back to Viavi to repair, upgrade, calibrate, or replace accessories. With Encore equipment, product options can be installed at the time of purchase. You can also increase your protection and reduce cost-of-ownership with Viavi PLUS extended support plan options. Encore lets you minimize budget expenses and get the equipment you trust most to perform your job right!
