

Don't Miss This Phenomenal DSAM Offer

Some "can't miss" events happen once in a lifetime — like a total solar eclipse and a DSAM sale. While supplies last, you can buy a VIAVI DSAM for **40% off the list price!** Own the most widely deployed, highest quality meter that will help you get the job done at a price that can't be beat.

Benefits:

- Improve workforce efficiency by enabling technicians to perform complete maintenance and quality verification tests on the spot—one person with only one instrument
- Shorten troubleshooting time with unique, innovative features, options, and accessories that accelerate diagnosis and fault location
- Increase return on investment of test equipment by covering the widest range of cable industry technologies with a single instrument
- Maximize uptime with dependable, high quality, purpose-built Viavi instruments and services
- Get paid faster with a StrataSync API to integrate with MSO management systems
