

PROMOTION

AVX-10K 2023 Trade-In Program

Earn up to a **\$4,000 discount** and an advanced comprehensive test solution for your legacy avionics test equipment!

The VIAVI AVX-10K Flight Line Test Set is now fully equivalent to the IFR4000 and IFR6000. With this milestone, we would like to extend a trade-in offer for legacy test equipment through 31 December, 2023.

Trade-In Offer

- Trade in 1 – 5 units and receive **\$3,000 off** each new AVX-10K-CNS
- Trade in 6 – 10 units and receive **\$4,000 off** each new AVX-10K-CNS

Contact your representative for discounts on 10 or more units

How It Works

1. This is a one for one trade-in offer for the AVX-10K-CNS configuration
2. Provide the serial number(s) of the units to be traded
3. [Request an RMA](#) to return the trade-in unit(s), VIAVI will pay return shipping cost
4. Purchase the AVX-10K-CNS configuration and receive a discount
5. Once you receive your AVX-10K(s), ship your trade-in unit(s) against provided RMA
 - If not needed, you can ship the trade-in units immediately
 - Trade-in must be returned within 30 days after receipt of AVX-10K

Qualifying Test Equipment

IFR4000, IFR6000 or contact your sales representative for discounts on other comparable equipment.

Contact your representative to order today or visit viavisolutions.com/AVX-10K for more information!
