

BREAK FREE with the 8800SX

For a limited time only, you can discover the cost-saving benefits of owning a VIAVI Solutions 8800SX. Trade-in your old test set* and receive \$8,100 in free options toward the purchase of an 8800SX Digital Radio Test Set!

The 8800SX Features:

- ✓ Standard in-line power meter
- ✓ Largest library of Auto-Test and Alignment applications
- ✓ Supports LMR signal coverage analysis - both indoor testing and drive testing
- ✓ Hybrid, portable design - bench top quality in a portable solution

*Trade-ins include service monitors from:

- Anritsu
- Freedom / GD / Motorola
- HP / Agilent / Keysight
- Rohde & Schwarz

Offer valid through July 31, 2019

Contact our experienced sales team for additional pricing options if no trade-in is available.
